

headers/Processor.h

```
graph TD; A[headers/Processor.h] --> B[iostream]; A --> C[vector];
```

A diagram illustrating a header file dependency. At the top, a gray rectangular box with a black border contains the text "headers/Processor.h". Two blue arrows originate from the bottom center of this box. The left arrow points diagonally down and to the left to a white rectangular box with a gray border containing the text "iostream". The right arrow points diagonally down and to the right to another white rectangular box with a gray border containing the text "vector".
